NEW 2020 PROJECT

Gebrüder Thonet Vienna GmbH (GTV) reconfirms the collaboration with Michael Anastassiades presenting the new SUGILOO chair

The protagonist of this week is SUGILOO, the new chair resulting from the intense collaboration with Michael Anastassiades, who last year already signed for GTV the lounge chair N.200, awarded with the Red Dot Best of the Best and the IF Design Award 2020.

The rigorous style of Michael Anastassiades defines the new SUGILOO bent wood chair with wood or upholstered seat, proposed with and without wooden backrest.

Its structure is pure and essential: the light structure is given by the encounter of curves that, like the stroke of a pencil on the sheet, draw seat, backrest and armrests.

A new refined minimalist tribute by the well-known designer to the DNA of Gebrüder Thonet Vienna with which he shares the love for the detail.

Keep following us, the news are not over yet. Stay tuned!
