NEW 2020 PROJECT

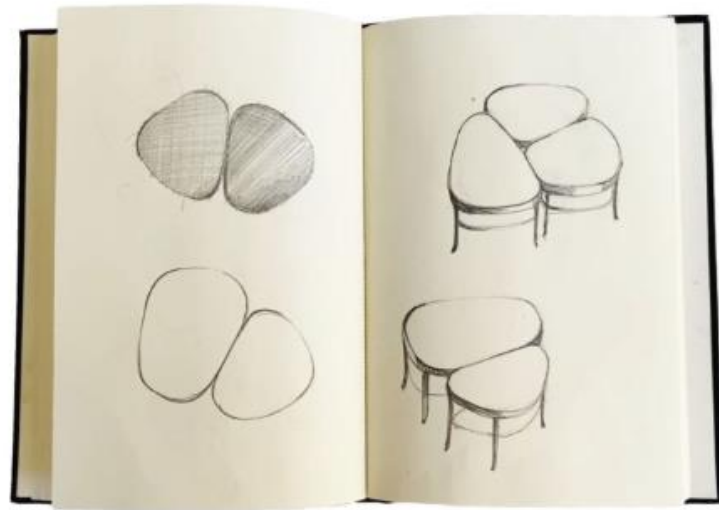

Gebrüder Thonet Vienna GmbH (GTV) continues to tell us about the 2020 novelties with the new Peers coffee tables by Front

Peers coffee tables hold the centre of the stage this week.

High-end project that marks a new encounter with Gebrüder Thonet Vienna for which the two designers have signed some of the bestsellers of the contemporary collection such as the Hideout lounge chair, the N.0 chair and the Coat Rack Bench.

The PEERS collection includes two tables, elements designed in pairs but **also perfect used individually**, ideal in the living area or in the bedroom as bedside tables.

With a characteristic contoured shape, they have a colored laminate top with solid wood edge while the structure is enriched by the wooden ring, a structural element that incorporates the typical support circles of the classic bent wood chairs.

The heritage of Gebrüder Thonet Vienna inspired Front also in the design of the legs which contributes to defining the lightness of PEERS without affecting its stability.

See you next week with a new project. Stay tuned!
